A SPECTACULAR SETTING FOR THE WEDDING OF YOUR DREAMS.

Since 1895, hundreds of beautiful brides have paused on the marble steps of the Grand Staircase at The Jefferson to bask in the admiration of their guests and families. Today, this historic hotel continues to set the standard for Richmond weddings.

Catering Managers will help execute every detail to your specification. Our elegant ballrooms can accommodate up to 360 guests for seated dinners or 400 for receptions. Smaller, more intimate spaces are available for rehearsal dinners, bridal luncheons and wedding brunches.

Our culinary team will work closely with you to create your own special menu. The Jefferson is also known for its extraordinary, customized wedding cakes.

Brides and grooms hosting their receptions at The Jefferson receive a complimentary deluxe room on their wedding night and the privilege of having their portraits taken on the Grand Staircase. Special room rates may be established for out-of-town guests.
